Have Fun!

Come and entertain the audience - tell a story, make us laugh, do some magic, sing, dance or or play to a backing track.

FRIENDSHIP

The Henley Youth Festival is back with a fun-filled programme of exciting activities and a new theme celebrating FRIENDSHIP.

Taking part in the festival is a brilliant way to team-up with friends old and new and there are many ways to showcase your talents.

Sing a rainbow, write a love story, paint a portrait or take a photo.
You can dance together, play music or make a film.

Use your real friends or a book character to inspire your ideas – the only limit is your imagination.

If you're a creative or sporty 4-18 year-old, love to perform or want to try something new, then #HYF2022 is for you. Take your pick from the live events, competitions and workshops happening this March.

Together in Friendship at the 2022 Henley Youth Festival

Get Involved

If HYF is to flourish with the scale and scope of recent years we need people with a little time and energy to make great things happen, If you can help email HYFinfo@gmail.com

We meet monthly from September to April and spend about an hour per week on HYF work.

We need volunteers:

- To help plan and deliver our Art & School Workshop programme
- Event Co-ordinators & Stage Managers to put on live events
- Admin & 'behind the scenes' roles to help deliver the festival
