

it?" asked Snake. When the four animals walked through the woods Snake accidentally slithered over Deer.

As Deer was waking up, Snake exclaimed "Look! Look!" "Look at what?" asked Deer. Snake, Sausage dog and Cat showed him the Night Cloud. So they started walking, whilst they were walking Deer got an idea. "What is it?" they all asked? - As Deer whispered his plan to them, everybody went to Sausage-dog's house and took the human voice-box and face-paint that Sausage-dog took from his owner.

So they went to an astronaut and went to the Night Cloud in his rocket!
