Please complete all contact details above and all the pages with event details.

Please remember to write your school name in the top row.

When complete, please send to Daniel Sadler at dan38sadler@icloud.com (Tel: 07776303858) below by **31 January 2023**

Please note:

The performances this year will be held in schools or the Kenton Theatre (Rude Science), and the workshops this year will take place in schools as we are aware that this makes logistics much easier for schools.

When timetabling we will try our utmost to ensure an equitable allocation of workshop places. We hope to be able to arrange for at least one workshop in each school.

We will share provisional workshop dates with schools to make sure there are no clashes with internal events.

Please indicate on the attached form which performances or workshops **you would ideally like us to arrange for your pupils.**

* Due to the enormous popularity of YSC, we cannot guarantee all year 5/6 children from each school can see this show.

** Scarlet Oak times are flexible – for further discussion with the schools coordinator.
