

DREAMS

Chapter 1 – Unicorns

One night a little girl called Lola was asleep. She had dark brown hair and a mint green nightgown. Suddenly, she felt a tingling sensation in her feet, then in her arm. When Lola opened her eyes she saw green bushes, they didn't have berries they had peppermint!

Then Lola heard a rustle in a bush. "Hello," she said nervously. Then a pink unicorn hopped out from behind the bush. "Hello, I'm Sparkles," said the unicorn with a very friendly voice. "WOW! I didn't know unicorns could talk. Oh! By the way I'm Lola," said Lola. "Where am I?" she asked politely. "You're in Candy Land!" answered Sparkles with a smile.

Chapter 2 – Tea time

Lola glanced over her shoulder at the peppermint bushes. "Can I eat them?" asked Lola. "Yes of course you can!" Said Sparkles. So Lola reached out a hand and grabbed a peppermint. As she did so it immediately began to grow back on the bush.

"Shall we go into my house?" asked Sparkles. As Lola stepped inside her home she saw a neatly laid table and a comfy bed (It wasn't really a bed it was just a very comfy mattress).

Sparkles got a teapot and poured two cups of tea. "Tea's ready," said Sparkles. Lola sat down at the table and drank her tea.

Chapter 3 – Gummy Bush

When they both finished their tea they went outside, Sparkles gasped. "What is it?" asked Lola. Then she noticed a bush that she took the peppermint from earlier. It had turned to gummy! "GUMMY BEARS!" Shouted Sparkles in alarm.

"Who are the Gummy Bears?" asked Lola.

"The Gummy Bears are turning everything into gummy!" answered Sparkles.

"Why are they doing this?" questioned Lola.

"Because they don't like other sweets," said Sparkles, a little nervously.

Chapter 4 – Old Friend

Lola explained her plan to Sparkles.

"Let's go!" Lola said, excitedly. "According to the map we need to climb a mountain to get to Gummy Castle."

"I know a friend who lives here. His name is Courage," said Sparkles.

"Hello?" said a voice from a near bush.

“Hi Courage” said Sparkles. Then a navy blue unicorn jumped out from the bush.

“Who’s this?” he asked, eyeing Lola.

“Hi! I’m Lola.”

“She’s my friend,” exclaimed Sparkles.

Then Lola and Sparkles explained the plan, and Courage decided to join them.

Chapter 5 – The Mountain

All three of them climbed about halfway, and stopped for a breath.

“Are we nearly there yet?” said Lola, wearily.

“Hop on my back,” said Sparkles.

“FINALLY – WE’RE AT THE TOP!” chorused all three of them.

Chapter 6 – Gummy Castle

“I can see the castle!” said Courage. They went inside. It had a gummy chandelier. Suddenly, Sparkles got caught in a gummy cage.

“Well, well! What do we have here?” asked King Gummy in a rude manner.

“I’m Lola and this is Courage,” said Lola bravely. “We want you to stop turning everything into gummy,” said Lola and Courage.

“Sparkles, chew through the gummy bars!” said Lola.

Sparkles did as she was told and came to join them.

Chapter 7 – Taste test

“Have you ever tasted peppermint before?” asked Sparkles, intrigued.

“No,” said King Gummy.

So they took him outside to try a peppermint.

“I don’t like it. I LOVE IT!!!” he said, surprised. “I’m sorry I will undo the gummy spell,” he said feeling very bad.

Chapter 8 – Home time

They walked back down the mountain.

“Bye, bye Courage,” said Lola sadly.

They got back to Sparkles’s home.

“Bye Sparkles!” said Lola.

“Bye Lola!” said Sparkles.

Then Lola opened her eyes.

She rolled over.

She smelled peppermint.

Was it really a dream?
