You may, but if you wish to take part in 2 items or more, and the event is oversubscribed, we may have to limit the total number of performances in order that everyone is given the chance to perform. **Please fill in a separate entry form for each performance.**

Can I use a backing track or microphone, or accompany myself on an instrument? (note that a piano will NOT be available this day)

Yes you can. If you do wish to use a **backing track**, the Sound Engineer will require a copy of your chosen piece as soon as possible. Will there be rehearsals?

As with any professional performance you will be expected to come to the Kenton Theatre for a technical rehearsal. This will be on Wednesday 9th March – you will be contacted to arrange a time. **A technical rehearsal is important to allow the lighting engineer, sound engineer and stage manager to help you get the best out of your performance.** They will need to know, for example whether you start your performance on the stage or in the wings.

Will there be any feedback on my performance?

Special guests will be present and feedback guidance notes for all performers will be sent after the event.
